

# Home

Welcome to e-philosophyonline.com. This website was created in order to provide an extensive philosophical resource. All of the works displayed on this website fall into two distinct categories:

- Previously published books and essays
- New and unpublished essays and papers

Please feel free to download texts from the philosophers page. When you select a text for download, it will load automatically into your chosen web-browser. You can then choose to save it to your own computer.

If you would like your own work added to our submissions page, or have any suggestions as to how this website could be improved, please contact us at the address listed below.

There are currently over 214 individual philosophical works - by 36 different philosophers - available for online viewing

# Philosophers

The work of thirty-five philosophers is currently represented on this website. Many more will be added in the near future.

You can use the menu shown below to quickly access numerous works of philosophy. When you select a text for download, it will load automatically into your chosen web-browser. You can then decide to save it to your own computer.

Please check back regularly to view additional works.

The weblinks shown below are provided so that you can further explore the vast range of philosophical material available on the Internet. These weblinks cover many different aspects of philosophy, including:

- Author Profiles
- Online Dictionaries & Encyclopedias
- Electronic Texts
- Philosophical Journals

If you have a website of your own, or know of one that would make a good addition to this resource page, please let us know.

This website is updated at the end of each month.
