A ‘New Ontological Perception’ regarding Zeno’s paradox: V1, T1
A Brief Overview of Symbiotic Panentheism
A Foundation V1, T6
A misconception of determinism V1, T4
A new meaning of the term ‘everything’ V1, T6
A second look at the pattern formation V3, T17
Absolute Zero Point of Abstraction V1, T6
Absolute Zero point of abstraction, The V1, T6
Abstract Functionality V1, T1
Abstract Functionality V2, T9
Abstract V1, T1
Abstract V2, T9
Abstraction and the void V2, T10
Abstract hedonism V1, T2

Active Observation within Passive Observation V3
Active observing V1, T6
Adjacent actions of multiplicity V1, T3
Advancing knowledge V3, T17
Advantage of diversity, The V2, T11
An alternative solution to Russell's Paradox V2, T9
Analytic versus Synthetic 'a priori' V1, T6
Anicius Manlius Severinus
Anselm of Canterbury
Anti-energy V2, T10
Antinomies Active Observation V1, T6
Anti-something V2, T10
Anti-void V2, T10
Appendix: 'Examine the Impact' expanded V3, T14
Aristotelian Points V1, T4
Aristotle
Atheism V2, T12
Augustine of Hippo

Caution #1: This section is intended only for the mathematically and scientifically inclined V2, T9
Caution #2: This section is intended only for the religiously inclined V2, T9
Caution #3: This section is intended only for the philosophically inclined V2, T9
Centricism V1, T4
Change V1, T6
Changing changeless system V2, T7
Chaos V3, Postscript
Chaos, Disorder, Complexity V3, Postscript
Classical and traditional theism V1, V2, T12
Coherency of time V2, T8
Complexity V3, Postscript
Conclusion: Free will versus determinism V3, T14
Conclusion: The Peer Review V3, T19
Concrete Functionality V1, T1
Concrete Functionality V2, T9
Concrete V1, T1
Concrete V2, T9
Concrete/Physical Functionality V1, T1
Confinement is confinement the concept of Cartesian V1, T2
Constancy of consistency V2, T8
Constancy of sequentiality V2, T8
Constancy of time V2, T8
Constancy of time verses the Variability of time, The V2, T8
Constant (k) variable, The V2, T8
Constant factor of variability, The V2, T8
Constant of physicality V2, T7
Constant of physicality V2, T8
Constant variable of physicality, The V2, T8
Core: Omniscience, The V1, T5
Creating the paradox of a Physical System V2, T10
Creator V2, T12

- D -

Dance of the angels, The V1, T2
David Hume V3, T18 T19
Death of God leads to the death of Ontology, The V2, T7
Death of God, The V1, T6
Defining theodicy V1, T5
Desire for Homogeneity, The V2, T11
Determinism V1, T3
Distance equals time V2, T8
Diversity and the disadvantaged V2, T12
Diversity and the right to be who you are – freedom V2, T11
Divine Foreknowledge V1, T3
Divine foreknowledge, predestination, pre-destination, and determinism versus free will V1, T4
Doppler affects of time V2, T8
Dualist is right but the dualist is wrong, The V2, T11

- E -

Einstein introduces the second mirror: The 'i' inversion V2, T8
Einstein's mirror revisited V2, T8
Einstein's mirror V2, T8
Either/Or V2, T11
Empedocles, Plurality, and Greek Atomism
Endless Paradoxes followed by endless answers Paradox 1 V3, T17
Endless Repetition V1, T6
Energy V2, T10
Equality of 'relativistic 1st principle,' The V1, T2
Equality of principle V1, T2
Error through the active process of extrapolation as opposed to the passive process of definition V1, T5
Errors created through the passive process of definition V1, T5
Everything V1, T6
Examination of Contemporary thought V2, T12
Examining the Impact in terms of the future V3, T14
Examining the Impact in terms of the past V3, T14
Examining the Impact in terms of the present V3, T14
Expanding knowing revisited V2, T8
Expanding knowing V2, T7
Experiential permutations V2, T8

- F -

Finite finites V1, T2
Finite infinities V1, T2
First cause becomes a redundancy, The V2, T7
First cause V2, T7
First Shell V1, T5
First shell: Omnipotence and Omnipresence, The V1, T5
For whom does '????' exist? V3, T17
Formulation V1, T3
Foundation V1, T6
Foundationless V1, T6
Four forms of action, The V1, T4
Fredrich Nietzsche
Free will V1, T3
Function of 'nothing,' The V2, T10
Function of something, The V2, T10
Functionality of action V1, T4
Fundamental building block of the abstract V1, T4
Fundamental building block of the physical V1, T4
Fusion of: $0/\infty$ and $\infty/0$, The V1, T6
Future does not exist, The V1, T6

- G -

George Berkeley V3, T18 T19
God does not change V1, T6
God: Nietzsche is dead and for that matter Hegel is also dead V2, T7
God? V3, T16
Goodbye concrete, hello abstract V2, T8
Gottfried Wilhelm Leibniz V3, T18 T19
Greek concept of increments, The V1, T1
Growth V2, T12

- H -

Hawking: Build the model V3, T14
Hegel introduces the first mirror: Inverse physicality V2, T8
Hegel, Nietzsche and God are all wrong V2, T7
Hegel: Ontology is dead V2, T7
Hegel's 'open' dynamic non-Cartesian system V1, T4
Hegel's mirror V2, T8
Hellenistic and Roman Philosophy V3, T18 T19
Hierarchical systems V2, T12
Historical conflict expanded, The V2, T11
History's Vector V3, T18
Homogeneity V2, T11
How something, which is unchangeable, can change and remain unchangeable V1, T6
Human Significance V2, T12
Husserl: Find the materials for a universal philosophy V3, T14

- I -

Idea leads to the concept that 'first cause' is not necessary but the whole is necessary, The V2, T7
Illusion V1, T1
